Q & A

Where are the classes held?

Classes are held right at your child's school, after school. There will be a designated room that the school staff will direct all of the art students to on the first day.

What if a class gets missed for a PD Day or Snow Day?

We have accounted for holidays and school PD days in our schedule so there are 10 classes. If we miss a day due to weather or other circumstances we will contact parents with an extra date to add onto the end of the session.

What should they bring?

If your child is often hungry after school, please send an extra snack. We provide all of the supplies each week. Students will receive a portfolio and carrying bag on the first day. Please do your best to send them with this each week.

Payment

The easiest way to pay is online at time of registration with a credit card. We also accept cash, cheques, and EMTs to accounting@esteyart.com. Cash payments must be in an envelope with your child's name written on it and given to an Estey Art Instructor. Please DO NOT give money to the school office. Payment plans are available through the online registration.

Sponsorship

We offer sponsorships to help some families with the cost of the program. Together with school principals, we do our best to allocate funds as fairly as possible. To apply for aid please fill out our application form on our website (under Sponsorships) or simply give us a call.

Pick Up

We ask parents to please wait at the main doors of the school for pick up. We have an end of the class system that is designed for the safety of the students that works best when we dismiss as a group. Students hand in their name card to us when we see a parent as pick up. Walkers hand in their name card when they leave the building.

One 4 One Art Loan.

Students will have the opportunity to loan us one of the pieces that was created in our program. We have it professionally framed, and a local business rents it for 1 year. The rental fee paid by the business covers the cost of the frame, delivery / installation, and completes 1 child's tuition. The framed piece of art is returned to the child after a year on display. You will also be informed where your child's art is being hung so you can go see it. Please be patient with us, as this process can take some time. If your place of work is interested in renting art, please let us know.
