

Help Support Animals at the S.P.C.A

Dear N.M.S Families,

April 2023

Students in KLyons, KWall and KMurphy are exploring “Pets” and are inviting our school community to help a local business that provides shelter and care for animals in need. Each day the Fredericton SPCA works effortlessly to ensure that animals in need are adopted into a fur-ever home. The Fredericton SPCA are in need of items to help provide animals with adequate care.

We are asking for **new, store bought, unopened items only** from their ‘wish list. Monetary donations are also appreciated. Please have all donations to the school (table by the office!) no later than **Friday May 19th.**

We thank you in advance for your support!
